NOTICE IS HEREBY GIVEN that the Annual General Meeting of the shareholders of Camino Minerals Corporation (the “**Corporation**”) will be held at Suite 2200 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8, on Wednesday, October 23, 2024, at 10:00 a.m. (Vancouver time) (the “**Meeting**”), for the following purposes:

1. To receive the audited annual financial statements of the Corporation for the years ended July 31, 2023, and 2022, together with the auditor’s report thereon.
2. To set the number of directors of the Corporation at six for the ensuing year.
3. To elect directors of the Corporation for the ensuing year.
4. To appoint auditors of the Corporation for the ensuing year and authorize the directors to fix their remuneration.
5. To reapprove the Corporation’s equity incentive plan.
6. To transact such other business as may properly come before the Meeting or any adjournment thereof.

The Board of Directors has fixed September 6, 2024, as the record date for determining the shareholders entitled to receive notice of and vote at the Meeting and at any adjournment thereof.

This Notice is accompanied by instructions to access the Management Proxy Circular and a form of proxy solicited by the management of the Corporation for the meeting (the “**Form of Proxy**”). The Management Proxy Circular contains details relating to the persons proposed to be nominated for election as Directors and the name of the auditors proposed to be appointed.

Notice-and-Access

The Corporation is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), for distribution of proxy-related materials to registered and non-registered shareholders.

Under the Notice-and-Access Provisions, instead of receiving printed copies of the Circular, registered and Non-Registered Holder’s will receive the Notice of Annual General Meeting with information on the Meeting date, location, and purpose, as well as information on how they may access the Circular electronically and how they may vote. Electronic copies of the Notice of Annual General Meeting, the Circular, the audited financial statements of the Corporation for the financial years ended July 31, 2023 and 2022, together with the report of the auditors thereon, and the related MD&A may be found on the Corporation’s Canadian System for Electronic Documents Analysis and Retrieval (“**SEDAR**”) profile at www.sedar.com and the Corporation’s website at www.caminocorp.com.

The Corporation will not use the procedure known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to certain shareholders with the notice package.

Voting

Registered shareholders who are unable, or do not wish, to attend the Meeting in person, are requested to complete, date, execute and return the accompanying Form of Proxy to Camino Minerals Corporation, c/o Odyssey Trust Corporation, Trader’s Bank Building, 702 - 67 Yonge Street, Toronto, Ontario, M5E 1J8. MANAGEMENT INFORMATION CIRCULAR

All information as at September 12, 2024, except where indicated.

**For the Annual General Meeting
to be held on Wednesday, October 23, 2024**

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) is provided in connection with the solicitation of proxies (each, a “**Proxy**”) by the management of Camino Minerals Corporation (the “**Corporation**”) from the holders of common shares in the capital of the Corporation (the “**Common Shares**”) in respect of the Annual General Meeting of shareholders of the Corporation (the “**Meeting**”) to be held on **October 23, 2023**, at the time and place and for the purposes set out in the accompanying notice of meeting (the “**Notice of Meeting**”).

While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally, by telephone, or by email by directors, officers, and employees of the Corporation. All costs of this solicitation will be borne by the Corporation.

COMPLETION AND VOTING OF PROXIES

Voting

Voting at the Meeting will be by a show of hands, each registered shareholder, and each Proxyholder (representing a registered or non-registered shareholder) having one vote for each share held or represented, respectively. To approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”) unless the motion requires a “**special resolution**” in which case a majority of 66% of the votes cast will be required.

Appointment of Proxyholders

A shareholder has the right to appoint a person (who need not be a shareholder) to represent the shareholder at the Meeting other than the persons named in the Proxy as Proxyholders. To exercise this right, the shareholder must insert the name of the shareholder’s nominee in the space provided or complete another Proxy.

The persons named in the accompanying Proxy as Proxyholders are the Corporation’s directors or officers.

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an “X” in the appropriate space. On any poll required (for the reason described above) or requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy, provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the shares represented by the Proxy in favour of the motion.**

The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and this Information Circular, and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Information Circular, our management is not aware that any such amendments, variations, or other matters are to be presented for action at the Meeting. If, however,

other matters which are not now known to the management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominees.

The Proxy must be dated and signed by the shareholder or the shareholder's attorney authorized in writing. In the case of a corporation, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be deposited with the Corporation's transfer agent in accordance with the instructions and before the time set out in the Proxy. Proxies received after such time may be accepted or rejected by the Chair of the Meeting in the Chair's discretion. Non-registered shareholders that are OBOs (as defined below under "Non-registered Shareholders") must deliver their completed Proxies in accordance with the instructions given by their financial institution or other intermediary that forwarded the Proxy to them.

Registered Shareholders

Only shareholders registered as shareholders in the Corporation's shareholder registry maintained by our registrar and transfer agent or duly appointed Proxyholders (except as discussed below under "**Non-registered Shareholders**") will be recognized to make motions or vote at the Meeting.

Non-registered Shareholders

Many Shareholders are "non-registered" shareholders because the shares of the Corporation they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered Shareholder in respect of shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSAs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

There are two kinds of Non-Registered Holders: those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners). For greater certainty, the Corporation will not send its proxy-related materials directly to NOBOs and OBOs will not receive the Corporation's proxy-related materials unless their Intermediaries assumed the costs of delivery as the Corporation does not intend to pay for these costs.

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), the Corporation has distributed copies of the proxy-related materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. Applicable regulatory policies require Intermediaries to seek voting instructions from Non-Registered Holders in advance of the Meeting unless the Non-Registered Holders have waived the right to receive the proxy-related materials. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting. Often the voting instruction form ("**VIF**") supplied to a Non-Registered Holder by its Intermediary is identical to the Proxy provided by the Corporation to the Non-Registered Holders. However, its purpose is limited to instructing the Non-Registered Holder how to vote on behalf of the Non-Registered Holder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Non-Registered Holders and asks those Non-Registered Holders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. A Non-Registered Holder receiving a voting instruction form from Broadridge cannot use that form

to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.

Shareholders with questions respecting the voting of shares held through a stockbroker or other financial intermediary should contact that stockbroker or other intermediary for assistance.

Notice-and-Access

The Corporation is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) under NI 54-101 and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), for distribution of proxy-related materials to registered and Non-Registered Holder.

Under the Notice-and-Access Provisions, instead of receiving printed copies of the Circular, registered and Non-Registered Holder’s will receive the Notice of Annual General Meeting with information on the Meeting date, location, and purpose, as well as information on how they may access the Circular electronically and how they may vote. Electronic copies of the Notice of Annual General Meeting, the Circular, the audited financial statements of the Corporation for the financial year ended July 31, 2023 and 2022, together with the report of the auditors thereon, and the related MD&A may be found on the Corporation’s Canadian System for Electronic Documents Analysis and Retrieval (“**SEDAR**”) profile at www.sedar.com and the Corporation’s website at www.caminocorp.com.

The Corporation will not use the procedure known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to certain shareholders with the notice package.

REVOCATION OF PROXIES

Shareholders have the power to revoke Proxies previously given by them. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) signed by a shareholder or the shareholder’s attorney authorized in writing and in the case of a corporation, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and either delivered to its registered office at Suite 2200 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8 or to the Transfer Agent at Trader’s Bank Building, 702 - 67 Yonge St., Toronto, Ontario, M5E 1J8, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or deposited with the Chair of the Meeting on the day of the Meeting.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, and the management Proxyholders have been appointed, such shares will, on a poll, be voted in accordance with the notes to the form of Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed Proxyholder thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, “Person” shall include each person or company: (a) who has been a director or executive officer of the Corporation at any time since the commencement of the Corporation’s last financial year; (b) who is a proposed nominee for election as a director of the Corporation; and (c) who is an associate or affiliate of a person or company included in subparagraphs (a) or (b).

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation's authorized common share capital consists of an unlimited number of common shares without par value. As at September 6, 2024 (the "**Record Date**"), there are 209,251,638 issued and outstanding fully paid and non-assessable common shares in the capital of the Corporation ("**Common Shares**"), each carrying the right to one vote.

Any shareholder of record at the close of business on the Record Date is entitled to vote in person or by Proxy at the Meeting. The quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by Proxy, shareholders who, in the aggregate, hold at least 5% of the issued Common Shares entitled to be voted at the Meeting.

To the best of the knowledge of the Corporation's directors and senior officers, there are no Persons who, or corporations which, beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all of our outstanding shares, other than (i) Denham Commodity Partners Fund VI LLP, who holds 29,467,607 Common Shares of the Corporation (14.08%).

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Presentation of Financial Statements

Shareholders at the Meeting will be presented with the audited annual financial statements of the Corporation for the years ended July 31, 2023, and 2022, together with the auditor's report thereon; (collectively, the "**Financial Statements**").

The Financial Statements and the auditor's report thereon and the management's discussion and analysis for the year ended July 31, 2023, are available under the Corporation's profile on SEDAR at www.sedar.com. The Notice of Meeting, Information Circular, and form of Proxy will be available from the Corporation, the Transfer Agent, or from the office of the Corporation's counsel, which is located at 2200 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8.

2. Number of Directors

The Board of Directors (the "**Board of Directors**" or the "**Board**") presently consists of six directors. Shareholders will be asked at the Meeting to approve an ordinary resolution to set the number of directors to be elected for the ensuing year at five, subject to such increases as may be permitted by the articles of the Corporation (the "**Articles**") and the provisions of the *Business Corporations Act* (British Columbia) ("**Business Corporations Act**").

The Board of Directors recommends a vote "FOR" the approval of the resolution setting the number of directors at five. In the absence of a contrary instruction, the persons designated by management of the Corporation in the enclosed form of Proxy intend to vote FOR the approval of the resolution setting the number of directors at five.

3. Election of Directors

There are currently six members on the Board of Directors. The term of office of each of the present directors expires at the Meeting. **The persons named below will be presented for election at the Meeting as management's nominees.** Management does not contemplate that any of these nominees will be unable to serve as a director.

Each director elected will hold office until our next annual general meeting or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with our Articles or with the provisions of the Business Corporations Act.

At the Meeting, we will ask shareholders to vote for the election of the five nominees proposed by us as directors. Each holder of Common Shares will be entitled to cast their votes for or withhold their votes from the election of each director.

Shareholders will be asked to approve as an ordinary resolution the appointment of De Visser Gray LLP as the auditor of the Corporation, to hold office until the next annual general meeting of the shareholders at remuneration to be fixed by the Board of Directors.

The Board of Directors recommends a vote “FOR” the appointment of De Visser Gray LLP as the auditor of the Corporation, at a remuneration to be fixed by the Board of Directors. In the absence of a contrary instruction, the persons designated by management of the Corporation in the enclosed form of Proxy intend to vote FOR the appointment of De Visser Gray LLP as the auditor of the Corporation, at a remuneration to be fixed by the Board of Directors.

5. Re-Approval of the Equity Incentive Plan

The Corporation’s amended and restated equity incentive plan (the “**Plan**”) was first approved by the shareholders at the annual general meeting of the Corporation held on May 16, 2022.

In addition to the stock options (each, an “**Option**”) issuable and outstanding under the Plan, the Plan permits the Corporation to issue restricted share units (each, an “**RSU**”) and deferred share units (each, a “**DSU**”). A summary of the Plan, including the terms of the Options, RSUs, and DSUs issuable thereunder (collectively, “**Awards**”), is set forth below.

Overview of Plan

The purpose of the Plan is to secure for the Corporation and the shareholders the benefits inherent in share ownership by the directors, officers, employees, and consultants of the Corporation and its affiliates who, in the judgment of the Board, will be largely responsible for its future growth and success. It is generally recognized that equity incentive plans such as the Plan: (a) aid in retaining and encouraging individuals of exceptional ability because of the opportunity offered to them to acquire a proprietary interest in the Corporation; and (b) promote greater alignment of interests between such persons and shareholders.

The Plan:

- (a) is a “rolling” plan, pursuant to which the aggregate number of Common Shares to be issued under the Plan, together with any other securities-based compensation arrangements of the Corporation, shall not exceed 10% of the Corporation’s issued and outstanding Common Shares from time to time; and
- (b) is considered an “evergreen” plan, as when an Award expires or otherwise terminates for any reason without having been exercised in full, the number of Common Shares reserved for issuance under that expired or terminated Award again become available for the purposes of the Plan.

The Plan provides for the grant to eligible directors, officers, employees, and consultants of the Corporation (each, a “**Participant**”) of Options, RSUs, and DSUs that can be exercised for, or automatically convert or are redeemable into, Shares.

General Limits

- 1) The aggregate number of Common Shares that may be subject to issuance under the Plan, together with any other securities-based compensation arrangements of the Corporation, shall not exceed 10% of the Corporation’s issued and outstanding share capital from time to time. No Award that can be settled in Common Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Common Shares subject to such Award to exceed the above-noted total number of Common Shares reserved for issuance pursuant to the settlement of Awards.
- 2) The aggregate number of Common Shares that may be issued and issuable together with any other securities-based compensation arrangements of the Corporation, as applicable:

- a) to any one Participant within any 12-month period shall not exceed 5% of the issued and outstanding Common Shares, calculated on the date that the Option, RSU, or DSU is granted to the Participant (unless disinterested shareholder approval has been obtained);
 - b) to any one consultant (who is not otherwise an eligible director) within any 12-month period shall not exceed 2% of the issued and outstanding Common Shares, calculated on the date that the Option, RSU, or DSU is granted to the consultant;
 - c) to Investor Relations Service Providers (as defined in the policies of the TSX Venture Exchange), as a group, within any 12-month period shall not exceed 2% of the issued and outstanding Common Shares, calculated on the date that the Option, is granted to the Participant;
 - d) to insiders of the Corporation, as a group, shall not exceed 10% of the issued and outstanding Common Shares; and
 - e) to insiders of the Corporation, as a group, within any 12-month period shall not exceed 10% of the issued and outstanding Common Shares.
- 3) In no event will the number of Common Shares that may be issued to any one Participant pursuant to Awards under the Plan (when combined with all of the Corporation's other security-based compensation arrangements, as applicable) exceed 5% of the Corporation's outstanding issue from time to time.
 - 4) Investor Relations Service Providers (as defined in the policies of the Exchange), may not receive any security-based compensation, other than Options.
 - 5) No Award (other than Options), may vest before the date that is one year following the date the Award is granted or issued, provided that this requirement may be accelerated for a Participant who dies or who ceases to be a Participant in connection with a change of control, take-over bid, reverse take-over or other similar transaction.

Options

The Plan authorizes the Board of Directors to grant Options to Participants. The number of Common Shares, the exercise price per Common Share, the vesting period, and any other terms and conditions of Options granted pursuant to the Plan from time to time are determined by the Board of Directors at the time of the grant, subject to the defined parameters of the Plan. The date of grant for the Options, unless otherwise determined by the Board of Directors, shall be the date such grant was approved by the Board of Directors. Each Option grant shall be evidenced by an Option grant letter.

The exercise price of any Option cannot be less than the "Fair Market Value" on the date of grant. The "Fair Market Value" of a Common Share as of any date is defined as the price at the close of the regular trading session of the Exchange on the last trading day prior to such date.

Options are exercisable for a period of five years from the date the Option is granted, or such greater or lesser period as determined by the Board of Directors, up to a maximum expiry date of ten (10) years from the date of grant. In the event of death of a Participant, any Option held by the Participant at the date of death shall become exercisable in whole or in part, but only by the person or persons to whom the Participant's rights under the Option shall pass by the optionee's will or applicable laws of descent and distribution. Unless otherwise determined by the Board of Directors, all such Options shall be exercisable only to the extent that the Participant was entitled to exercise the Option at the date of his or her death and only for 12 months after the date of death or prior to the expiration of the exercise period in respect thereof, whichever is sooner.

If a Participant ceases to be employed or engaged by the Corporation for cause, no Option held by such Participant will, unless otherwise determined by the Board of Directors, be exercisable following the date on which the Participant ceases to be so employed or engaged. If a Participant ceases to be employed or engaged by the Corporation other than

for cause, the Options held by such Participant will, unless otherwise determined by the Board of Directors, be exercisable until the earlier of (i) the date that is 30 days following the date on which the Participant ceases to be so employed or engaged; or (ii) the expiry period of the Option.

Vesting of Options is determined by the Board of Directors. Failing a specific vesting determination by the Board of Directors at the time of grant, Options shall vest over an 18 month period, with one-quarter of the Options vesting on the date of grant, an additional one-quarter of the Options vesting on the date which is six months after grant, an additional one-quarter of the Options vesting on the date which is 12 months after grant, and the remaining one-quarter of the Options vesting on the date which is 18 months after grant. Notwithstanding the foregoing, any Options granted to Investor Relations Service Providers must vest in stages over a period of not less than 12 months, in accordance with the vesting restrictions set out in Section 4.4(c) of TSX Venture Exchange Policy 4.4.

Certain optionees have a net exercise right with respect to Options under the Plan. The Corporation receives no cash payment at exercise and the option-holder receives only a number of Common Shares equal to the in-the-money value of the Common Shares underlying the options (by reference to the volume weighted average trading price of those shares for the 5 trading days before exercise). The net exercise right will not be available for Options held by Investor Relations Service Providers.

Restricted Share Units (RSUs)

The Plan authorizes the Board of Directors to grant RSUs, in its sole and absolute discretion, to a Participant. Each RSU provides the recipient with the right to receive Common Shares as a discretionary payment in consideration of past services or as an incentive for future services, subject to the Plan and with such additional provisions and restrictions as the Board of Directors may determine. Each RSU grant shall be evidenced by a restricted share right grant letter which shall be subject to the terms of the Plan and any other terms and conditions which the Board of Directors deems appropriate.

Concurrent with the granting of the RSU, the Board of Directors shall determine the period of time during which the RSU is not vested and the holder of such RSU remains ineligible to receive Common Shares. Such period of time may be reduced or eliminated from time to time for any reason as determined by the Board of Directors, subject to the vesting restrictions described in “*General Limits*” above. In addition, RSUs may be subject to performance conditions during such period of time.

In the event the Participant retires or is terminated during the vesting period, any RSU held by the Participant shall be terminated immediately provided however that the Board of Directors shall have the absolute discretion to accelerate the vesting date. In the event of death or total disability, the vesting period shall accelerate and the Common Shares underlying the RSUs shall be issued.

Except to the extent prohibited by the Exchange, on vesting of the RSUs the Corporation shall redeem the RSUs in accordance with the Participant’s election by:

- (a) issuing to the Participant one Share for each RSU redeemed provided the Participant makes payment to the Corporation of an amount equal to the tax obligation required to be remitted by the Corporation to the taxation authorities as a result of the redemption of the RSUs;
- (b) issuing to the Participant one Share for each RSU redeemed and either (i) selling, or arranging to be sold, on behalf of the Participant, such number of Common Shares issued to the Participant as to produce net proceeds available to the Corporation equal to the applicable tax obligation so that the Corporation may remit to the taxation authorities an amount equal to the tax obligation, or (ii) receiving from the Participant at the time of issuance of the Common Shares an amount equal to the applicable tax obligation;
- (c) subject to the discretion of the Corporation, paying in cash to, or for the benefit of, the Participant, the value of any RSUs being redeemed, less any applicable tax obligation; or
- (d) a combination of any of the Common Shares or cash in (a), (b), or (c) above.

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on the Common Shares, a Participant may be credited with additional RSUs. The number of such additional RSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the RSUs in the Participant's account on the dividend record date had been outstanding Common Shares (and the Participant held no other Common Shares) by (b) the Fair Market Value of the Common Shares on the date on which such dividends were paid.

Deferred Share Units (DSUs)

The Plan authorizes the Board of Directors to grant DSUs, in its sole and absolute discretion, to a Participant. Each DSU grant shall be evidenced by a deferred share right grant letter which shall be subject to the terms of the Plan and any other terms and conditions which the Board of Directors deem appropriate.

Participants may elect, subject to limitations on the number of DSUs issuable pursuant to the Plan, to receive DSUs for up to 100% of an annual base compensation amount that may be determined by the Board of Directors. All DSUs granted with respect to such annual base compensation will be credited to the Participant's account when such annual base compensation is payable. The Participant's account will be credited with the number of DSUs calculated to the nearest thousandth of a DSU, determined by dividing the dollar amount of compensation payable in DSUs on the grant date by the Fair Market Value. Fractional DSUs will not be issued, and any fractional entitlements will be rounded down to the nearest whole number.

In the event of death or total disability of the Participant, the legal representative of the Participant shall provide a redemption notice to the Corporation, and notwithstanding the receipt of such a redemption notice, the DSUs shall be redeemed on the date that is 75 days following such date by providing a written notice to the Corporation.

Each Participant shall be entitled to redeem DSUs during the period commencing on the business day immediately following the Participant's retirement or termination and ending on the date that is 75 days following such date by providing a written notice to the Corporation.

Except to the extent prohibited by the Exchange, upon redemption the Corporation shall redeem DSUs in accordance with the election made in the written notice to the Corporation by:

- (a) issuing that number of Common Shares issued from treasury equal to the number of DSUs in the Participant's account, subject to any applicable deductions and withholdings;
- (b) paying in cash to, or for the benefit of, the Participant, the Market Price (as defined in the polices of the Exchange) of any DSUs being redeemed on the retirement or termination date, less any applicable tax obligation; or
- (c) a combination of any of the Common Shares or cash in (a) or (b) above.

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on the Common Shares, a Participant may be credited with additional DSUs. The number of such additional DSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the DSUs in the Participant's account on the dividend record date had been outstanding Common Shares (and the Participant held no other Common Shares), by (b) the Fair Market Value of the Common Shares on the date on which such dividends were paid.

Resolution Approving the Adoption of the Plan

Disinterested shareholders will be asked at the Meeting to pass an ordinary resolution, the text of which will be substantially the form as follows:

“RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Plan (as defined and described in the Corporation’s management information circular dated September 12, 2024), pursuant to which, directors may, from time to time, authorize the issuance of options, restricted share units, and deferred share units to certain directors, officers, employees, and consultants of the Corporation and its subsidiaries to a maximum of 10% of the issued and outstanding common shares of the Corporation at the time of grant, be and is hereby authorized and approved, subject to stock exchange approval; and
2. Any one or more directors or officers of the Corporation be and are hereby authorized, for and on behalf of the Corporation, to execute and deliver all other documents and instruments and do all such acts or things, and making all necessary filings with applicable regulatory bodies and stock exchanges, as such directors or officers may determine to be necessary or desirable to carry out the foregoing resolutions.”

The Board of Directors recommends that disinterested shareholders vote “FOR” the approval of the Plan. In the absence of a contrary instruction by disinterested shareholders, the persons designated by management of the Corporation in the enclosed form of Proxy intend to vote FOR the stock option plan resolution set out above.

As at the date of this Information Circular, no executive officer, director, employee, or former executive officer, director, or employee of the Corporation or any of its subsidiaries is indebted to the Corporation, or any of its subsidiaries, nor are any of these individuals indebted to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit, or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries.

INTEREST OF CERTAIN PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, since the commencement of the Corporation's most recently completed financial year, no informed person of the Corporation, nominee for director, or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries. An "informed person" means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Corporation or who exercises control or direction over voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its shares.

CORPORATE GOVERNANCE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (the "**Disclosure Instrument**") requires the Corporation to annually disclose its corporate governance practices in accordance with Form 58-101F2.

The following is a discussion of each of the Corporation's corporate governance practices for which disclosure is required by the Disclosure Instrument. Unless otherwise indicated, the Board believes that its corporate governance practices are consistent with the guidance of NP 58-201.

Corporate Governance

The Board of Directors is committed to ensuring that the Corporation identifies and implements effective corporate governance practices, which are both in the interest of its shareholders and contributes to effective and efficient decision making.

The Corporation's approach to significant issues of corporate governance is designed to ensure that the business and affairs of the Corporation are effectively managed to enhance shareholder value. Management has been able to draw assistance from individual directors as well as seek advice from the Board of Directors, when circumstances require.

In accordance with the Disclosure Instrument and National Policy 58-201 – *Corporate Governance Guidelines* (the "**Guidelines**") the Corporation is required to disclose, on an annual basis, its approach to corporate governance. In addition, the Corporation is subject to National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"), which prescribes certain requirements in relation to audit committees and defines the meaning of independence with respect to directors. These reflect current regulatory guidelines of the Canadian Securities Administrators.

The Corporation has established its own corporate governance practices in light of these guidelines, as set forth below. In certain cases, the Corporation's practices will comply with the guidelines; however, as the Corporation is a mineral exploration company at an early stage of development and with limited financial resources, the Board of Directors considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted.

In 2022, the Directors approved and adopted a Diversity Policy, a Shareholder Communication Policy and a Policy for Disclosure Controls and Procedures (the "**Corporate Governance Policies**"). A copy of the Corporate Governance Policies may be obtained upon request to the Corporation's Corporate Secretary, by mail at: Suite 2200 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8 or via e-mail at: info@caminocorp.com.

The Board of Directors will continue to review with management the corporate governance practices of the Corporation to ensure that they are sound practices for effective and efficient decision making.

Board of Directors and Directorships

The Board of Directors is responsible for the governance of the Corporation. It establishes the overall policies and standards of the Corporation. The Board of Directors meets regularly, as necessary when operations warrant, and following the Corporation's annual meeting of shareholders. In addition to these meetings the directors are kept informed of operations through regular reports and analyses by, and discussions with, management.

In carrying out its responsibilities, the Board of Directors requires management of the Corporation to prepare and submit budgets and programs for approval of the Board of Directors. These budgets and programs, and any updates, are reviewed at meetings of the Board of Directors.

Director Independence

The Board of Directors is currently comprised of six directors, five of whom are proposed to be nominated for election as set out in the Information Circular. NI 52-110 defines an "independent" director as one who has no direct or indirect "material relationship" with the Corporation. A "material relationship" is defined as a relationship that could, in the view of the Board of Directors, reasonably be expected to interfere with the exercise of a director's independent judgement. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Corporation.

Independent Directors. The Board is currently comprised of six directors, three of whom are independent. The Board has determined that Ewan Webster, Justin Machin, and Christopher Adams are independent directors.

Non-Independent Directors. The Board has determined that Keith Peck, Jay Chmelauskas and Kenneth McNaughton are not independent by virtue of the fact that Jay Chmelauskas is an executive officer of the Corporation, and Kenneth McNaughton and Keith Peck are former executive officers of the Corporation.

The fact that the majority of Board members are independent facilitates the Board's exercise of independent supervision over management. Currently, the independent directors do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. However, the Board will, in appropriate circumstances, meet separately from non-independent directors and the independent directors will have open and candid discussions among themselves.

Other Directorships

In addition to their positions on the Board of Directors, the following directors also serve as directors of other reporting issuers or reporting issuer equivalent(s):

Name of Director	Reporting Issuer(s) or Equivalent(s)
Jay Chmelauskas	
Keith Peck	
Ewan Webster	Trailbreaker Resources Ltd., Thesis Gold Inc.

Kenneth McNaughton	EnviroMetal Technologies Inc. P2 Gold Inc. Goldstorm Metals Corp.
Justin Machin	
Christopher Adams	

Orientation and Continuing Education

Upon election or appointment of new directors, the Corporation will provide new directors with an information package of the Corporation, including, among other things, its policies, procedures, and disclosures. Generally, the Corporation expects that the board members have a familiarity with the business of mineral exploration and development. Professional advisors may be invited to attend Board of Directors meetings, as needed. The Corporation also relies on the relatively straightforward nature of its business and the established qualifications and expertise of its board members.

Code of Business Conduct and Ethics

The directors encourage and promote a culture of ethical business conduct through communication and supervision as part of their overall stewardship responsibility. The Corporation has adopted a Code of Business Conduct and Ethics (the “*Code*”) which addresses the Corporation’s continuing commitment to integrity and ethical behaviour. The Code is applicable to all employees, consultants, officers and directors regardless of their position in the organization, at all times and everywhere the Corporation does business. The Code provides that the Corporation’s employees, consultants, officers and directors will uphold its commitment to a culture of honesty, integrity, accountability and respect for the communities in which the Corporation operates. The Corporation requires the highest standards of professional and ethical conduct from its employees, consultants, officers and directors.

Certain members of the Board are directors or officers of, or have shareholdings in, other mineral resource companies and, to the extent that such other companies may participate in ventures in which the Corporation may participate, the directors of the Corporation may have a conflict of interest in negotiating and concluding terms respecting the extent of such participation. Where such a conflict involves a particular Board member (i.e. where a Board member has an interest in a material contract or material transaction involving the Corporation), such Board member will be required to disclose his or her interest to the Board and refrain from voting at the Board meeting of the Corporation considering such contract or transaction in accordance with applicable law. It is not always easy to determine whether a conflict of interest exists, so any potential conflicts of interest are encouraged to be reported immediately to a member of senior management who is independent of the potential conflict and who will assess the issue with the advice of legal counsel. If deemed appropriate, the Corporation may establish a special committee of independent directors to review a matter in which several directors, or management, may have a conflict.

Generally, as a matter of practice, directors or senior officers who have disclosed a material interest in any transaction or agreement that the Board of Directors is considering will not take part in any Board of Directors discussion respecting that contract or transaction, unless permitted by the BCBCA and the Articles. If on occasion such directors do participate in the discussions, they will abstain from voting on any matters relating to matters in which they have disclosed a material interest.

Nomination of Directors

Potential candidates for appointment to the Board of Directors will be considered by the entire Board of Directors. To assist it with this responsibility, the Board of Directors has established the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is currently comprised of the following directors: Keith Peck (Chair), Kenneth McNaughton and Justin Machin.

The purpose of the Corporate Governance and Nominating Committee is to identify and recommend nominees to the Corporation's Board of Directors or established committee, to develop and recommend corporate governance practices to the Board of Directors, and to conduct an annual review and evaluation of the composition of the Board of Directors. In its recommendation of nominees, the Corporate Governance and Nominating Committee will consider (i) the past experience and professional background, (ii) applicability of professional expertise, and (iii) independence of each nominee, among other criteria the Corporate Governance and Nominating Committee considers necessary. The Corporate Governance and Nominating Committee will give all due consideration to the diversity of the Board of Directors based on race, gender, age, or any other factors. The Corporate Governance and Nominating Committee is responsible for developing, monitoring, and assessing the Corporation's corporate governance policies and practices and ensure compliance with regulatory, corporate governance, and corporate disclosure requirements.

Having received management's nominees and utilizing their extensive knowledge of the industry and personal contacts to identify additional nominees, the Corporate Governance and Nominating Committee recommended to the Board the nomination of the proposed directors following a review of the experience, qualifications and background of each proposed director.

A copy of the Corporate Governance and Nominating Committee's charter may be obtained upon request to the Corporation's Corporate Secretary, by mail at: 2200 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8 or via e-mail at: info@caminocorp.com.

Assessments

The Corporate Governance and Nominating Committee conducts an annual review of the credentials of the members of the Board of Directors. Recommendations of the Corporate Governance and Nominating Committee are presented to the Board of Directors for review and approval.

With respect to the Board of Directors as a whole, the Board of Directors will monitor its performance on an ongoing basis and as part of that process, consider the overall performance of the Corporation and input from its shareholders. The Board of Directors as a whole is responsible for assessing its effectiveness, its members and each committee in consultation with the Corporate Governance and Nominating Committee, the chair of the Board of Directors and the chair of each committee.

Board Mandate

The Board has assumed responsibility for the stewardship of the Corporation and has adopted a formal mandate setting out its stewardship responsibilities. A copy of the Board mandate may be obtained upon request to the Corporation's Corporate Secretary, by mail at: 2200 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8 or via e-mail at: info@caminocorp.com.

The maximum charge for services will be established by the Audit Committee when the specific engagement is approved, or the category of services preapproved. Management will be required to notify the Audit Committee of the nature and value of pre-approved services undertaken.

The Audit Committee will not approve engagements relating to, or pre-approve categories of, non-audit services to be provided by the auditors: (i) if such services are of a type the performance of which would cause the auditors to cease to be independent within the meaning of applicable securities law; and (ii) without consideration, among other things, of whether the auditors are best situated to provide the required services and whether the required services are consistent with their role as auditor.

Complaints

The Board has adopted a whistle-blower policy (the “**Whistle-blower Policy**”). The Whistle-blower Policy provides a procedure by which the process, mandate and responsibilities around handling complaints, whether through the whistle-blowing process or reported otherwise, be documented and approved.

The Whistle-blower Policy outlines procedures for the confidential, anonymous submission by employees regarding the Corporation's compliance with all applicable government laws, rules and regulations, corporate reporting and disclosure, accounting practices, accounting controls, auditing practices and other matter relating to fraud against shareholders (the "Questionable Event"), without fear of retaliation of any kind.
